**ARBITRATION AGREEMENT**

**Agreement:**

I agree that any claim, dispute, or controversy (including, but not limited to, any and all claims of discrimination and harassment) which would otherwise require or allow resort to any court or other dispute resolution forum between myself and the company (or its owners, directors, officers, managers, employees, agents, and parties affiliated with its employee benefits and health plans) arising from, related to, or having any relationship or connection whatsoever with my seeking employment with, employment by, or other association with the company, whether based on tort, contract, statutory, or equitable law, or otherwise, (with the sole exception of claims arising under the National Labor Relations Act which are brought before the National Labor Relations Board, claims for medical and disability benefits under the California Workers' Compensation Act, and Employment Development department claims), shall be submitted to and determined exclusively by binding arbitration under the Federal Arbitration Act., in conformity with the procedures of the California Arbitration Act (Cal. Code Civ. Proc. Sec 1280 et seq., including section 1283.05 and all of the act's other mandatory and permissive rights to discovery); provided however, that: In addition to the requirements imposed by law any arbitrator herein shall be a retired California Supreme Court Judge and shall be subject to disqualification on the same grounds as would apply to a judge of such court. To the extent possible in civil actions in California courts, the following shall apply and be observed: all rules of evidence, all rights to resolution of the dispute by means of motions for

summary judgment, judgment on the pleadings, and judgment under Code of Civil Procedure Section 631.8. Resolution of the dispute shall be based solely upon the law governing the claims and defenses pleaded, and the arbitrator may not invoke any basis (including but not limited to, notions of "just cause") other than such controlling law. The arbitrator shall have the immunity of a judicial officer from civil liability when acting in the capacity of an arbitrator, which immunity supplements any other existing immunity. Likewise, all communications during or in connection with the arbitration proceedings and are privileged in accordance with Cal. Civil Code Section 47(b). As reasonably required to allow full use and benefit of this agreement's modifications to the act's procedures and the arbitrator shall extend the times set by the act for the giving of notices and setting of hearings. Awards shall include the arbitrator's written reasoned opinion and, at either party's request within 10 days after issuance of the award, shall be subject to reversal, remand or modification following review of the record and arguments of the parties by a second arbitrator who shall as far as practicable, proceed according to the law and procedures applicable to appellate review by the California Court of Appeal of a civil judgment following court trial. Should any portion, word, clause, phrase, sentence or paragraph of this Agreement be declared void or unenforceable, such portion shall be considered independent and severable from the remainder, the validity shall remain unaffected.
